Repair minor deficiencies reported by bus operators, assist Class B and Class A mechanics with repairs, and perform most building maintenance tasks. Coordinate efforts toward efficient operation of the maintenance department, demonstrate effective communications with supervisors and co-workers.

JOB DUTIES AND RESPONSIBILITIES:

Maintenance Functions:

- Fuel buses each day.
- Wash the exterior of the buses according to the schedule established by the Director of Maintenance.
- Check the engine and transmission oil level daily and report abnormal oil consumption to the lead mechanic.
- Repair minor deficiencies reported by drivers including lights, brake adjustment, hvac repairs, and fuel leaks.
- Perform preventative maintenance inspections with little or no supervision.
- Rebuild and diagnose brake system.
- Perform with some supervision minor engine tune-ups.
- Report new or fresh accident damage to the appropriate supervisor.
- Perform tune-up, repairs, and inspections on non-revenue vehicles.
- Repair the heating system on all vehicles.
- Perform minor repairs of the electrical system.
- Mount and dismount tires without damaging rims; match tires and correct inflation pressures.
- Clean work bay after each repair.
- Assist with road calls and operates the bus in a safe and skillful manner when needed for a trade-out.
- Assist with training of new mechanics.
- Adhere to MUTD maintenance policies and procedures handbook.
- Must work in a safe and competent manner in accordance with established safety requirements.
- Must possess apprentice level mechanical skills and be familiar with heavy

duty diesel engines.

Public Relations:

- Exhibit friendliness, patience, and consideration of passengers, the general public, and vendors during routine and adverse circumstances.
- Present a neat appearance and competent manner.
- Demonstrate enthusiasm for her/his work.
- Exhibit good work habits, including attendance and punctuality.
- Serve as a responsible team member.

Administrative:

- Communicate with supervisors as appropriate to report situations, request assistance, report work hazards, etc.
- Maintain a variety of inventory records and perform daily security and safety checkout procedures.

The person in this position performs other job-related duties as assigned.

KNOWLEDGE, SKILLS, AND ABILITIES:

- High school graduation or possession of a GED.
- Must be 21 years of age or older at time of hire.
- Prior to hire, must have 36 months free of moving traffic violation convictions or preventable accidents.
- Possession of, or ability to obtain prior to hire, a Class B, Type II Montana Commercial Drivers License with passenger endorsement.
- Must be medically qualified as stated in the Federal Motor Carrier Regulations, Sections 391.41, 391.43, and 391.45.
- Must be able to pass appropriate company test for this classification and possess company required hand tools for class C mechanic.
- Interpersonal skills including demonstrated ability to:
 - Work cooperatively and effectively with others.
 - Treat all people with dignity and respect.
 - Interact with people in a pleasant manner under routine or stressful conditions.
 - Accept, act upon, and offer constructive criticism.
- Conflict resolution skills, including willingness to take responsibility for own part in communication breakdowns.
- Ability to learn and follow all pertinent Federal, State, and local laws, codes, and regulations including administrative and departmental policies and procedures.
- Ability to follow instructions and to adhere to company policies and procedures.

- Ability to understand occupational hazards and follow standard safety practices necessary in the area of work.
- Must be able to focus and effectively perform repetitious job duties for extended periods of time.
- Demonstrate good work habits, including attendance and punctuality.
- Must be able to report for shift work on short notice when needed.
- Applicants hired after January 1, 1996, must pass controlled substance use tests as prescribed by FTA regulations 653.41 and 654.31. Inclusion of this statement on the job description conforms with FTA regulations 653.27 and 654.71, which require that applicants be informed in writing of test requirements.

WORKING CONDITIONS:

Work is typically performed in both an indoor and outdoor environment. The person in this position must be able to perform the essential functions of the position, with or without reasonable accommodation(s). Performance of these duties requires the ability to stand, walk, bend, kneel, crouch, stoop, squat, crawl, twist, climb, push, and pull; to move up to 25 pounds on a frequent basis. The nature of work requires exposure to cold, heat, noise, odors, outdoors, vibration, and possible mechanical hazards. The person in the position must be able to communicate effectively, both orally and in writing, and be available for shift work when required.

Physical and mental fitness to perform the required job functions is determined by passing a required United States Department of Transportation (DOT) physical. In compliance with DOT regulations, no accommodations can be provided to individuals not passing this federally-required physical.

PERSONAL CONTACTS:

Daily contact with other maintenance personnel, bus operators, and supervisors.
Frequent contact with management and administrative staff.

SCOPE AND EFFECT:

This person functions independently under general guidance and direction of management staff in compliance with established policies and procedures of Mountain Line. Serious errors in judgment or lack of performance may endanger the health and safety of the customers or staff and may cause legal and/or financial liability for Missoula Urban Transportation District.
